## → We Are Responsible

As the AA Central Office for the Greater Pensacola Area, we answer calls in a loving, kind way from persons who are interested in Alcoholics Anonymous either for themselves or a loved one. The calls range from meeting times /location requests to crisis intervention. We have learned that listening is a very important part of helping others with alcoholism. Also at Central Office we disseminate information to all the Group/Meetings in our Tri-District Area along with selling books, chips, medallions and pamphlets to the fellowship and the general public.

We believe this to be very important work because we are the first contact with AA that some have.

Wherever, whenever someone reaches out, we want the hand of AA to always be there. For that we are responsible.

## → Volunteering

Volunteering here at Central Office is a type of 12 Step Work because we do have contact with persons who have never tried AA before and are reaching out for the first time. You try to make it a pleasant experience for them. It can be very rewarding knowing that you have helped another suffering alcoholic . Guiding them to where they can find the solution that we have found to work in our lives.

## → Commitment

Don't let the word scare you. With a minimum commitment, you can assist the many persons in the Greater Pensacola Area that call our office looking for help through the AA program. In a normal month, 2 to 3 days , 4 hours each afternoon is all that is needed. If you have more than 1 Year Sobriety then you are qualified. Most Volunteers work a particular day every 2 weeks. For most months, that's twice a month.

We have an **immediate** need for you now. If we cannot staff the office with volunteers, then we close and our callers are left to fend for themselves.

## → Other Service Work

There are other opportunities available to do 12 Step work through Central Office.

- > Call back to an Alcoholic
- > Rides to meetings for newcomer
- > Speaker lists (inside and outside AA)
- > Visit Alcoholics for first time
- > Take meetings into Treatment Facilities and Institutions
- > Commit to \$5.00 monthly donation to Intergroup through Faithful Fiver program

***There is an immediate need for Women on the 12 Step Call List, especially in North East Pensacola and in the Milton/Pace areas. Also need at least 2 office volunteers.***
